well known paterson new jersey poet and physician

the text of this celebrated work by the early american statesman and inventor is supplemented by notes on its creation and influence

in 1821 at the age of seventy seven thomas jefferson decided to state some recollections of dates and facts concerning myself his ancestors jefferson writes came to america from wales in the early seventeenth century and settled in the virginia colony jefferson s father although uneducated possessed a strong mind and sound judgement and raised his family in the far western frontier of the colony an experience that contributed to his son s eventual staunch defense of individual and state rights jefferson attended the college of william and mary entered the law and in 1775 was elected to represent virginia at the continental congress in philadelphia an event that propelled him to all of his future political fortunes jefferson s autobiography continues through the entire revolutionary war period and his insights and information about persons politics and events including the drafting of the declaration of independence his service in france with benjamin franklin and his observations on the french revolution are of immense value to both scholars and general readers jefferson ends this account of his life at the moment he returns to new york to become secretary of state in 1790 complementing the other major autobiography of the period benjamin franklin s the autobiography of thomas jefferson reintroduced for this edition by historian michael zuckerman gives us a glimpse into the private life and associations of one of america s most influential personalities alongside jefferson s absorbing narrative of the way compromises were achieved at the continental congress are comments about his own health and day to day life that allow the reader to picture him more fully as a human being throughout jefferson states his opinions and ideas about many issues including slavery the death penalty and taxation although jefferson did

not carry this autobiography further into his eventual presidency the foundations for all of his thoughts are here and it is in these pages that jefferson lays out what to him was his most important contribution to his country the creation of a democratic republic

the african american educator and social activist looks back on his life and work

the autobiography of giambattista vico is significant both as a source of insight into the influences on the eighteenth century philosopher s intellectual development and as one of the earliest and most sophisticated examples of philosophical autobiography referring to himself in the third person vico records the course of his life and the influence that various thinkers had on the development of concepts central to his mature work beyond its relevance to the development of the new science the autobiography is also of interest for the light it sheds on italian culture in the seventeenth and eighteenth centuries still regarded by many as the best english language translation of this classic work the cornell edition was widely lauded when first published in 1944 wrote the saturday review of literature here was something new in the art of self revelation vico wrote of his childhood the psychological influences to which he was subjected the social conditions under which he grew up and received an education and evolved his own way of thinking it was so outstanding a piece of work that it was held up as a model which it still is

charming self portrait covers boyhood work as a printer political career scientific experiments much more its openness honesty and readable style have made the autobiography one of the great classics of the genre

before his mysterious disappearance and probable death in 1971 oscar zeta acosta was famous as a robin hood chicano lawyer and notorious as the real life model for hunter s thompson s dr gonzo a fat pugnacious attorney with a gargantuan appetite for food drugs and life on the edge written with uninhibited candor and manic energy this book is acosta s own account of coming of age as a chicano in the psychedelic sixties of taking on impossible cases while breaking all the rules of courtroom conduct and of scrambling headlong in search of a personal and cultural identity it is a landmark of contemporary hispanic american literature at once ribald surreal and unmistakably authentic

the most widely known and immediately recognized christian song remains the classic hymn amazing grace behind its simple lyrics and expressive melody however stands the dramatic real life story of a person miraculously changed by god s mercy author john newton saved from a life of moral depravity and slave trading never forgot the depths from which he was pulled by god s incomprehensible grace discover through newton s own words the timeless story of his conversion and the true meaning of the familiar words amazing grace how sweet the sound that saved a wretch like me i once was lost but now am found was blind but now i see book jacket

in his eloquent words hear mega football superstar marcus allen heisman trophy winner super bowl mvp and record breaking running back tell his inspiring and unforgettable story in marcus learn about his triumphant rise to athletic stardom to his rocky 11 year relationship with los angeles raiders coach al davis to his controversial friendship with o j simpson and all the high and low points in between marcus on al davis i could neither understand nor determine why al davis had declared war against me but for all the motives suggested none involved the possibility that the issue might be racial al davis was many things that i didn t admire but he was no bigot marcus on o j simpson i am and forever will be forever be tortured by the loss of two people who were my friends one murdered one now forced to live a lifetime being blamed for tragedy marcus on football it teaches hard lessons about success and failure joy and disappointment and when played well it has a poetry all its own

the autobiography of benjamin franklin is the traditional name for the unfinished record of his own life written by benjamin franklin from 1771 to 1790 however franklin himself appears to have called the work his memoirs although it had a tortuous publication history after franklin s death this work has become one of the most famous and influential examples of an autobiography ever written franklin s account of his life is divided into four parts reflecting the different periods at which he wrote them there are actual breaks in the narrative between the first three parts but part three s narrative continues into part four without an authorial break only an editorial one in the introduction of the 1916 publication of the autobiography editor f w pine wrote that

franklin s biography provided the most remarkable of all the remarkable histories of our self made men with franklin as the greatest exemplar

calvin coolidge served as the thirtieth president of the united states from 1923 1929 famously taciturn his nickname was silent cal and his autobiography does nothing to disabuse him of that legend where theodore roosevelt s autobiography is a weighty 214 000 words and ulysses s grant s personal memoirs clock in at a hefty 273 000 words this volume is a terse 44 000 words coolidge wastes no time in describing his childhood in vermont where his father a respected pillar of the community raised him in an environment that valued hard work modesty and education though idyllic in setting this upbringing is tinged with loss in the early deaths of his grandfather mother and sister he then recounts his career in the law followed by his speedy ascent into politics and the vice presidency under warren g harding when harding dies suddenly in 1923 on a trip to san francisco coolidge who was visiting his family home finds himself being sworn to the office of the president by his father under the lamplight of a modest country house his first abbreviated term ends with him a popular president and after winning the election in 1924 he ultimately declines to run for a second full term stating that if i take another term i will be in the white house till 1933 ten years in washington is longer than any other man has had it too long those starting this autobiography may expect it to focus on the time coolidge spent as the most powerful man in the world but coolidge devotes few words to discussing the actual events that occurred during his presidency preferring to talk about his upbringing and his broad views on government and character he does however recount what a day in the life of the president looks like and as one might expect the average day is extremely busy and carefully scheduled despite its brevity coolidge s autobiography reveals a portrait of a thoughtful considerate man who cared much for his countrymen and held modesty and hard work as two of the most important traits a leader can have this book is part of the standard ebooks project which produces free public domain ebooks

andrew carnegie s story begins with the thirteen year old boy s bewildering 1848 journey from dumfermline to new york and his 2 00 a week job in a bobbin factory in allegheny city pennsylvania it concludes with the conversational details of his meetings with presidents and emperors and in between in a casual familiar tone carnegie whose reputation as a benign capitalist is ever controversial tells the reader about his gospel of wealth and the building of his own empire back cover

the autobiography of a journalist volume ii from william james stillman american journalist diplomat author historian and photographer 1828 1901

why buy our paperbacks printed in usa on high quality paper standard font size of 10 for all books fulfilled by amazon expedited shipping 30 days money back guarantee beware of low quality sellers don t buy cheap paperbacks just to save a few dollars most of them use low quality papers binding their pages fall off easily some of them even use very small font size of 6 or less to increase their profit margin it makes their books completely unreadable be rest assured about the quality of our books we guarantee you will have a great experience with us about autobiography of benjamin franklin the autobiography of benjamin franklin is the traditional name for the unfinished record of his own life written by benjamin franklin from 1771 to 1790 however franklin himself appears to have called the work his memoirs although it had a tortuous publication history after franklin s death this work has become one of the most famous and influential examples of an autobiography ever written franklin s account of his life is divided into four parts reflecting the different periods at which he wrote them there are actual breaks in the narrative between the first three parts but part three s narrative continues into part four without an authorial break only an editorial one part one of the autobiography is addressed to franklin s son william at that time 1771 royal governor of new jersey while in england at the estate of the bishop of st asaph in twyford franklin now 65 years old begins by saying that it may be agreeable to his son to know some of the incidents of his father s life so with a week s uninterrupted leisure he is beginning to write them down for william he starts with some anecdotes of his grandfather uncles father and mother he deals with his childhood his fondness for reading and his service as an apprentice to his brother james franklin a boston printer and the publisher of the new england courant after improving his writing skills through study of the spectator by joseph addison and sir richard steele he writes an anonymous paper and slips it under the door of the printing house by night not knowing its author james and his friends praise the paper and it is published in the courant which encourages ben to produce more essays the silence dogood essays which are also published when ben reveals his authorship james is angered thinking the

recognition of his papers will make ben too vain james and ben have frequent disputes and ben seeks for a way to escape from working under james

this is an annotated version of the book1 contains an updated biography of the author at the end of the book for a better understanding of the text 2 this book has been checked and corrected for spelling errorsbenjamin franklin was born in milk street boston on january 6 1706 his father josiah franklin was a tallow chandler who married twice and of his seventeen children benjamin was the youngest son hisschooling ended at ten and at twelve he was bound apprentice to hisbrother james a printer who published the new england courant tothis journal he became a contributor and later was for a time itsnominal editor but the brothers quarreled and benjamin ran away goingfirst to new york and thence to philadelphia where he arrived in october 1723 he soon obtained work as a printer but after a fewmonths he was induced by governor keith to go to london where findingkeith s promises empty he again worked as a compositor till he wasbrought back to philadelphia by a merchant named denman who gave him aposition in his business on denman s death he returned to his formertrade and shortly set up a printing house of his own from which hepublished the pennsylvania gazette to which he contributed manyessays and which he made a medium for agitating a variety of localreforms in 1732 he began to issue his famous poor richard s almanac for the enrichment of which he borrowed or composed those pithyutterances of worldly wisdom which are the basis of a large part of hispopular reputation in 1758 the year in which he ceased writing for thealmanac he printed in it father abraham s sermon now regarded as themost famous piece of literature produced in colonial america meantime franklin was concerning himself more and more with publicaffairs he set forth a scheme for an academy which was taken up laterand finally developed into the university of pennsylvania and hefounded an american philosophical society for the purpose of enablingscientific men to communicate their discoveries to one another hehimself had already begun his electrical researches which with otherscientific inquiries he carried on in the intervals of money making andpolitics to the end of his life in 1748 he sold his business in orderto get leisure for study having now acquired comparative wealth and ina few years he had made discoveries that gave him a reputation with thelearned throughout europe in politics he proved very able both as anadministrator and as a controversialist but his record as anoffice holder is stained by the use he made of his position to advancehis relatives his most notable service in home politics was his reformof the postal system but his fame as a statesman rests chiefly on hisservices in connection with the relations of the colonies with greatbritain and later with france in 1757 he was sent to england toprotest against the influence of the penns in the government of thecolony and for five years he remained there striving to enlighten thepeople and the ministry of england as to colonial conditions on hisreturn to america he played an honorable part in the paxton affair through which he lost his seat in the assembly but in 1764 he was againdespatched to england as agent for the colony this time to petition theking to resume the government from the hands of the proprietors inlondon he actively opposed the proposed stamp act but lost the creditfor this and much of his popularity through his securing for a friendthe office of stamp agent in america even his effective work in helpingto obtain the repeal of the act left him still a suspect but hecontinued his efforts to present the case for the colonies as thetroubles thickened toward the crisis of the revolution in 1767 hecrossed to france where he was received with honor

both of the tales in this little volume appeared originally in the atlantic monthly as anonymous contributions i owe to the present owners of that journal permission to use them the autobiography of a quack has been recast with large additions the case of george dedlow was not written with any intention that it should appear in print i lent the manuscript to the rev dr furness and forgot it this gentleman sent it to the rev edward everett hale he presuming i fancy that every one desired to appear in the atlantic offered it to that journal to my surprise soon afterwards i received a proof and a check the story was inserted as a leading article without my name it was at once accepted by many as the description of a real case money was collected in several places to assist the unfortunate man and benevolent persons went to the stump hospital in philadelphia to see the sufferer and to offer him aid the spiritual incident at the end of the story was received with joy by the spiritualists as a valuable proof of the truth of their beliefs
